- **This schedule will be adjusted as necessary to make the best use of our time.**
- **WHAT TO BRING:** Sheets, blanket, mattress cover, pillow, wash cloths, towels, toilet articles, shoes, bathing suit, sports clothes, bug repellent, sweater, rainwear, sun-block, long sleeve shirt (sun protection), and spending money. You may also bring items for the refrigerator / freezer as space permits. Each suite should have a "Micro-fridge" to share.
- All scheduled meals are provided in the camp fee. You are to be present for all meals. You may have the opportunity to order pizza delivery after our evening rehearsal. **It must be ordered right after our evening rehearsal and be delivered before curfew. Expect delays!**
- The students may choose their roommates, but all 4 students must discuss it and be in agreement. **Please be diplomatic.** The residence halls are set up so that students are housed 2 per room (2 beds) and every 2 bedrooms share a bathroom, so students must be in groups of 4 people. Room lists are now due and any remaining assignments will be made by staff.
- Band pictures will be taken on Wed. morning; please wear khaki shorts & your 2011 Camp T-shirt. (Shirts will be handed out at 2:30 Tuesday afternoon at Culbertson Hall. **Do not lose or soil; take to your dorm and put away.**
- Having our camp at UVA-Wise has proven to be very successful for us. While there may be a few who prefer to have camp at home, the vast majority has traditionally favored going away. I believe this is in the best interest of our band. During the week we work hard and play hard and afterward, **we come away as a band.** The unity, attitude, and spirit developed at camp does much to set the tone for the entire year.
